

## Venturing Ranger Award

High adventure and the outdoors have always been of interest to young Americans as well as an important part of the BSA program. Because of the attraction of high adventure, the Ranger Award is available to all Venturing youth members of the Boy Scouts of America.

The purpose of the award is to encourage Venturers to achieve a high level of outdoor skills proficiency; recognize achievement of this high level of outdoor skills proficiency; provide a path for outdoor/high-adventure skills training; and establish Rangers as a highly trained leadership resource for crews, Cub Scouts, Boy Scouts, and the community.

The Ranger Award exemplifies a challenging high-level outdoor/high-adventure skills advancement program. Once earned, it will identify a Ranger as a person who is highly skilled at a variety of outdoor sports and interests, trained in outdoor safety, and ready to lead or assist others in activities. Rangers can be a great program asset to Cub Scout packs, Boy Scout troops, and others.
