

RANGER CAMP SUMMER 2012

Earn the Climbing Merit Badge in style. The Northeast Georgia Council has a long tradition(30 +years) of working with the U.S. Army Rangers at Camp Frank D. Merrill near Dahlonega, Georgia. Ranger Camp is conducted by the Northeast Georgia Council utilizing the expertise of both the Rangers and our own High Adventure volunteers to provide a unique week of Challenge, Adventure, and Success as they negotiate much of what Ranger Candidates experience in the Mountain Section of their training.

The first part of the week is dedicated to training and teambuilding so that the participants can meet the challenge successfully on top of Mt. Yonah as they climb and rappel the 200ft face on Thursday and Friday.

Participation for Ranger Camp is open to Boy Scouts 13 and older, Venturers and

Explorers (male and female), and adults, space permitting. The program is designed so that individual youth can attend without adult supervision or without their entire troop, crew, or post. Ranger Camp is a great program for youth who have attended Camp Rainey Mountain several times.

This camp is held in the summer with check in on Sunday afternoon and graduation on Friday evening. Fee is \$285 youth or adult. Registration is available when dates are confirmed with the US Army. Additional info will be posted at www.nega-bsa.org and www.nega-highadventure.org.
