

RE-CHARTER WORKSHOP

WHEW! I AM GLAD I WENT TO RE-CHARTER WORKSHOP! WHEN I AM DONE WITH THIS RE-CHARTER, I'M TAKING MY UNIT TO DISNEY WORLD!

December is Re-charter Workshop Month! As you know, each year all Scouting units must renew their registration to remain active with the Boy Scouts of America. To remain current (which is required for insurance coverage, advancement, and unit tenure) you must return your completed recharter paperwork on time.

On **Thursday, December 8, 2011, First Christian Church (268 West Dougherty Street , Athens, GA) at 7:00 PM**, the Cherokee District will hold its annual **Recharter Workshop**. At this workshop you will be provided with your unit recharter paperwork and directions as to how to complete it. It is required that you (or another representative from your unit) attend. We will also be completing paper work for the Centennial Quality Unit Awards.

MAKE SURE YOUR UNIT ACHIEVES ITS GOAL FOR CENTENNIAL QUALITY UNIT!

We know you'll ensure that your unit is represented on **December 8th** at this important workshop.
