

RE-CHARTER WORKSHOP

WHEW! I AM GLAD I
WENT TO RE-CHARTER
WORKSHOP! Finishing
the recharter is going to be
EASY!

January is Re-charter Workshop Month! As you know, each year all Scouting units must renew their registration to remain active with the Boy Scouts of America. To remain current (which is required for insurance coverage, advancement, and unit tenure) you must return your completed recharter paperwork on time.

On **Thursday, January 13, 2011, 7:30PM, Snellville First Baptist Church, 2525 Main Street, Snellville 30044**, the Sweetwater District will hold its annual **Recharter Workshop**. At this workshop you will be provided with your unit recharter paperwork and directions as to how to complete it. It is very important that you or another leader from your unit attend this informative meeting.

We know you'll ensure that your unit is represented on **January 13th** at this important workshop.
